

Features covered in our Local SEO Packages

Keyword Rank Tracking

By Keyword rank tracking, we keep a check on the positions of keywords that a website ranks for in Search Engine Result Pages.

Regular Reporting

Our Local SEO Package pricing also greatly depends on the number of times we send updates and ranking reports to our valued clients.

Website Monitoring

Furthermore, we also provide Google Analytics, and Google Search Console reports to our clients on a monthly basis to check the success of our SEO Marketing Campaign.
